

The Freelance GP you are seeing today is

Dr Elizabeth Williamson

MB ChB MRCGP

I trained at Leeds Medical School, and qualified in 1998. I spent a year working in Yorkshire, and then moved to Buckinghamshire to do my GP Training. This involved 3 years working in hospitals and general practices in and around Aylesbury. After I finished this, I worked in a number of local practices as a locum, until I was offered a job as a salaried GP in a practice in Aylesbury. I stayed in this role until we moved to Wiltshire during my second spell of maternity leave in 2010, and I am now working as a freelance GP in Wiltshire.

My special interests are Palliative care, Women's health, and Family Planning

I am mummy to 2 little girls, and married to Ian. Together we own a small dry-dock business beside the Kennet and Avon canal, where boats are painted and maintained. We also have an expanding smallholding, with chickens, pigs and lots of apple trees. I love cooking (and eating!) the things I grow, and spending time out doors with my family. If boats or mud are involved that's even better!

This appointment is for 10 minutes unless
otherwise arranged.

I am a member of Pallant Medical Chambers.
Our members meet regularly to improve their quality
of care using feedback, education and
peer/professional support.

Please hand this card back to me or one of the
practice's receptionists.
